

Kat Harrison Studio

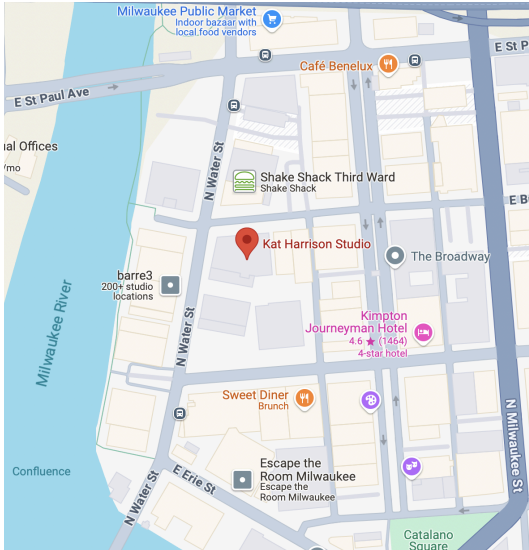

Directions and Parking

WHERE IS YOUR STUDIO LOCATED?

I am located in the Marshall Building, 207 E. Buffalo St. on the second floor, Suite 207.

The Marshall Building is a commercial Space & Arts Hub located in The Heart of Milwaukee's Historic Third Ward District. It is located a block from the Milwaukee Public Market, across the street from the Riverwalk & steps from everything else the vibrant Historic Third Ward District has to offer.

Enter the Building on Buffalo Street and take the stairs on your right. Exit on the Second Floor and take a left until you see Studio 207.

WHERE CAN I PARK?

The Third Ward offers ample metered street parking. There are also two parking structures in the area, both walking distance to the Marshall Building: the closest is on the corner of Water and Chicago Streets, with the entrance on Chicago Street. The second is on the corner of Milwaukee and Chicago Streets, with the entrance on Milwaukee Street.

If for some reason you're not able to find parking at any of these locations, the Chase Bank parking structure is also an option, which is on the corner of Water and Clybourn Streets, and the Italian Community Center (ICC) that offers daily parking and is located on Jackson Street – just south of Chicago Street.

If you have any additional questions regarding your visit to the Marshall Building, please don't hesitate to contact the building at 414-276-5210 or my line at (414) 502-9677.
